

ANGELO
FINE RUGS AND CARPETS

ANNAPURNA

REF: 2170

THE ANNAPURNA RUG IS MADE OF VEGETABLE SILK, WHICH CREATES A SHINY EFFECT WHICH CHANGES ACCORDING TO THE LIGHT. ITS NATURAL DYEING AND SUN DRYING GIVES BRIGHTNESS AND SOFTNESS WHICH MAKE THE ANNAPURNA AN EXTRAORDINARY PRODUCT. ALTHOUGH FRAGILE WITH LIQUIDS, THIS MATERIAL IS VERY SUCCESSFUL.
